**RE: Upcoming additional band rehearsals for Disney Trip**

***Combined Rehearsal Schedule (Concert & Marching Band)***

All PHS Band members are expected to be in attendance for the following combined rehearsals leading up to the April Disney trip. These rehearsals are required for all Disney trip participants. Students who are unable to attend should expect to have a reduced role in the performance portion of the trip. Please make the necessary arrangements with your schedule. We need everyone on-board to be successful!

Marching Battery & Colorguard may have additional rehearsals as needed. Mr. Cirillo & Ms. Welch will provide those schedules/times to the students in those sections.
